Honorable Nancy Hanks, Chairman
National Endowment for The Arts
National Foundation on The Arts and The Humanities
Washington, D. C. 20501

Dear Miss Hanks:

We were delighted that Miss Lani Lattin and Mr. Bill Lacy could visit our Headquarters Building for a look around and a chat on our efforts past and present to bring the arts to bear in enlivening and enhancing our working environment. [redacted] Chairman of our Fine Arts Commission and Mr. Robert Wattles, my principal assistant, were happy to be with them and to enjoy their reaction to our building and our ideas.

STATINTL

As you probably know we have been in the building for ten years and we like it. We are sending along with this note a book of photographs put together especially for our tenth anniversary. I hope you will enjoy looking at them. Enlargements of them formed a recent exhibit for our employees.

If you feel that CIA can in any way assist you in the difficult and important task the President has given you, please let us know.

Sincerely,

(signed) John W. Coffey
